

# Mayville Athletic Booster Club

## Booster Club Mission Statement

Our mission is to enrich the Mayville High School athletic sports programs by helping to provide financial support for purchasing much needed supplies, equipment, and/or capital items beyond what the school district's athletic budget can provide.

## Major Fund Raiser Information

### *How do we earn our money??*

**Membership Drive** - Each year, beginning in July, the Booster Club kicks off a membership drive. Applications are sent to alumni, available at the golf outing and are available at various sporting events.

**Christmas Tree Sale** - Beginning right after Thanksgiving and until gone, the Booster Club sells Christmas Trees in the parking lot of Piggly Wiggly. A variety of trees of different styles and prices are available. Each year this event raises over \$3,000.

**Booster Club Golf Outing** - Each year, on a Saturday in late August, the Booster Club sponsors a golf outing held at the Mayville Golf Club. The day consists of 18 holes of golf, a buffet style meal and entertainment that evening. Funds are raised through various raffles held during the outing and by the contributions of cash and prizes obtained from local businesses during a sponsorship drive. Each year this event raises over \$5,000.

**Cash Raffle** - During the fall each year, the Booster Club sells cash raffle tickets for \$10/each. Top prize is \$1,000. Twelve additional prizes ranging from \$100 - \$250 are also awarded. If all 500 tickets are sold, the profit for the club is \$2,500.
