

# **Parkview Primary Learning Center**

## **Facility Feedback from Staff**

### **Infrastructure -**

- Precise climate control throughout the buildings
- Natural light in the library
- Air circulation in the library
- Lighting - replace ballasts with more energy efficient light bulbs
- bathroom infrastructure
- Restrooms in the 5K classrooms/can be shared by classrooms
- sink to transition in art

### **Safety Security -**

- lock down - shades that work
- window decal with room numbers

### **Learning spaces -**

- Bigger; ability to be more responsive to both group and individual needs in the classrooms.
- Restrooms in the 5K classrooms/can be shared
- 4K - bring 4K into the building rather than the
