

SCHOOL DISTRICT OF  
**MAYVILLE**

*"Today's Youth is Tomorrow's Future"*

[www.mayvilleschools.com](http://www.mayvilleschools.com)

July 12, 2016

Dear Mayville Community Member:

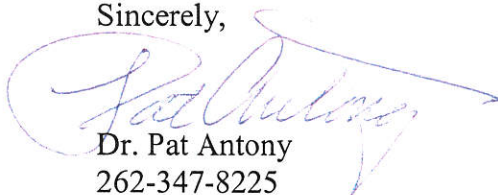

The School District of Mayville recently hosted two Community Conversations to discuss the district's short and long term facility needs. About 50 people attended the first session held on June 15 and about 40 people attended the second session held on July 7. Both sessions were structured to involve participants in a frank and honest conversation about what is needed and what is valued in terms of facility upgrades for the district. Whether you were able to attend one or both of the meetings, we wanted to extend one more invitation for you to be considered for the new district facility study committee. This committee will be made up of representatives from a cross section of community groups: business owners, community leaders, parents/grandparents, senior citizens, etc. The purpose of the facility study committee will be to help shape and communicate a consensus facility plan that meets district and community needs.

If you are willing and interested in applying to be part of this process, please complete the attached application and return by Monday, July 18, 2016. We anticipate forming a committee of 10 to 15 community members. Meetings will be held in the evenings on a schedule that accommodates as many of the members as possible.

We hope you will consider this opportunity to be part of crafting facilities for present and future generations of Mayville's youngest community members.

***Applications should be mailed or returned to John Westphal, School Board President, School District of Mayville, N8210 Hwy 28, Mayville, WI 53050. Deadline Monday, July 18, 2016.***

Sincerely,

Dr. Pat Antony
