

## Mayville Middle School Staff Facilities Input

<b>Infrastructure</b>	<b>Specific Needs in Specific Places</b>	<b>If more or different space is needed, why, how much?</b>
	<p>MS- heating and cooling needs to be addressed</p> <p>MS- replace the bad carpeting</p> <p>Consistent airflow and temperature in 3/4 space</p> <p>MS-Heating / Cooling systems inconsistent</p> <p>Fans/Airflow</p> <p>Room 3419 lights have 2 switches that don't work, they "Snap" like electrical problem</p> <p>Light dimmers</p> <p>Windows don't open</p> <p>MS/HS heating and cooling sometimes HS needs fans in hallway to keep temp down. Sometimes it is 100 degrees when it is 80 outside and within an hour it will be 60 degrees and learners and teachers have a difficult time focusing when temperature is inconsistent. Walls outside of room 3532 leak water through carpet Wall</p> <p>Room west of 3523 had a leak of water that has not been identified, near the counter area.</p> <p>MS Consistent temperatures in classrooms...not too hot and not too cold</p> <p>MS get rid of carpeting in all rooms</p> <p>Fix/Regulate HVAC</p> <p>Wall paper replaced and painted</p> <p>More refrigerator space</p> <p>MS heating and cooling needs to be addressed</p> <p>4th Grade outlets in current classrooms</p>	<p>More storage areas for old/unused furniture and custodial items, take out of grade level storage area</p> <p>6-7-8 Science lab windows don't open would like them to open for airflow and ventilation for experiments</p> <p>HS gym floor is always slippery and not enough space even for just a varsity team</p> <p>HS weight room is very small</p> <p>New Gym with better seating and locker rooms need to be updated (they are very old)</p> <p>Storage in the HS gym area</p> <p>HS is not accessible right now for certain groups</p> <p>More Staff bathrooms</p>

<b>Safety and Security</b>	<b>Specific Needs in Specific Places</b>	<b>If more or differen space is needed, why, how much?</b>
	<p>Mold? Window rooms have some leakage</p> <p>Windows from classrooms into pod</p> <p>Playground maintenance and practical equipment</p> <p>Door outside of 3514 don't latch on their own</p> <p>Security-people find ways to get in all doors.</p> <p>Water comes in back hallway walls</p> <p>How do lockdown/tornado drills work in the rooms where the walls are knocked down?</p> <p>HS- better entrance</p> <p>MS-windows to pods and more hallway cams</p>	<p>May sound silly, BUT teachers on 6-8 side have to share bathrooms with kids. VERY uncomfortable they can take pictures under stalls, sometimes there are limits to what they need to know about us!</p>
