Welcome to the Mayville School District Website. The Mayville School District serves approximately 1200 students in Mayville, Wisconsin, a city of 5000 people, which serv gateway to the Horicon Marsh. The district and its staff are committed to providing a educational environment and experience for the young people of Mayville and the sur area.

Here you will find links and information for the three Mayville public schools as well as i about the school district itself.

The Mayville School District has a wide variety of programs geared toward the Stude Academic Excellence. Our Gifted and Talented Program, which was in place in the dis years prior to the state requiring such a program, identifies students who excel in five areas(specific academic, leadership, visual and performing arts, creativity and general i
